*2nd Assistant Chief*

## ***Fire Hazards Prompt Suspension Of All City Of Alturas Burn Permits***

***Restrictions go into effect on JULY 1, 2021***

City of Alturas Fire Department has **SUSPENDED** all burning and burn permits in response to dry conditions and significant fire danger.

We will continue to monitor weather conditions in the coming months but we don't expect to lift the suspension until we see significant rainfall or snowfall in our area.

Prohibited activities are everything except using barbecues, smokers, hibachis and other outdoor cooking and warming units.

The City of Alturas Fire Department would like to also remind everyone in our community to keep each and every property free of weeds, tall grass, rubbish and garbage. Make sure trees and shrubs are trimmed. Clean up wood piles and make sure all waste is disposed of accordingly to prevent fire and life safety hazards.

The City of Alturas Fire Department will be inspecting all properties in the city limits and will issue notices for properties that are not in compliance.

Residents are urged to be mindful of the high fire danger and be extremely cautious when engaging in activities that could spark an accidental fire, especially on windy days.

***“Please Do your part to protect our community and play it safe this fire season.”***

If you have any questions please call the City of Alturas Fire Department at (530)233-4500. Burning information will also be posted on our message board attached to the front of the fire barn. If there is any emergency please Dial 911.
